

October 8, 2020

Good Afternoon Family and Friends,

As you are aware, our city is still an Orange Zone. With this we are maintaining the extra precautions needed. As of this morning there are seven (7) Personal Care Homes in outbreak. We are extremely happy that we are still Covid-19 free.

With Orange Zone comes the suspension of Hairdressing Services. We will ensure services resume as soon as possible once the Orange Zone designation is lifted.

Outdoor visits will come to an end on October 16<sup>th</sup>, perhaps sooner if the weather is poor. Unfortunately at this time we will not be able to make use of the indoor visiting space until we are no longer an Orange Zone. We will resume virtual and window visits. Please book your time with the Life Enrichment Team.

The Designated Essential Indoor Caregiver visits will continue. Please be reminded that only one (1) designated visitor may visit at a time. Visiting Hours for these designated visits are:

Daily from 1:00 p.m.- 5:00 p.m. and 6:00 p.m. – 7:00 p.m. We ask that you wrap up your visit so you exit the building by the visiting end time, not after.

On Sunday our loved one will be having Thanksgiving turkey dinner with all the fixings and Pie for dessert. They will enjoy this with the folks on their neighbourhood.

Especially this year, let's remind ourselves that although things are very different we still have much to be thankful for.
